

Scranton Woman Wins Mercedes Convertible in Slot Jackpot at Mohegan Sun at Pocono Downs

For Immediate Release

Wilkes-Barre, PA, March 25, 2009 . . . A Scranton woman captured a new Mercedes Benz convertible, valued at over \$46,000, at a slot machine jackpot today at Mohegan Sun at Pocono Downs.

Louise Jervis has made a habit out of visiting Mohegan Sun at Pocono Downs on Wednesday afternoons. Today that visit paid off in a big way. Ms. Jervis hit the top slot machine jackpot on a two-cent machine to win the 2009 Mercedes Benz CLK 300 convertible that sat highly visible atop the bank of slot machines in the casino.

The Scranton native had been playing for much of the afternoon when she decided to use a \$15 free slot play bonus on a Triple Red Hot 7s machine. When she saw the machine light up, she thought she had hit a mid-priced jackpot of a few hundred dollars. Her daughter-in-law was playing nearby and realized what her mother-in-law had accomplished was a far greater feat. The pair alerted slot attendants, who confirmed the jackpot win was indeed for the car.

Jervis confessed that she had never won anything in her life and that the big win on Wednesday shook her normally stoic demeanor. "I'm a quiet person", she said, but the jackpot "got me really excited."

Burdett was thrilled at her mother-in-law's good fortune. "She deserves it," she said.

Jervis was the first one to hit the car jackpot at Mohegan Sun at Pocono Downs, which has offered the prize since the opening of its new casino in August 2008.
