

Pick 7 Jackpot at Pocono Now Into Six Figures

October 31, 2009

Once again on Saturday afternoon no one was able to pick all 7 winners and claim the Pick 7 jackpot at Mohegan Sun at Pocono Downs. The jackpot has now climbed to \$107,371.52, the highest point that it has been since the bet was instituted this year at Pocono.

The best that anyone was able to do on Saturday was pick 5 out of 7 winners, which earned a consolation payout of \$302.20. The new jackpot will be in play when live racing resumes at Pocono on Tuesday night.
