

# Mohegan Sun at Pocono Downs 2010 Stall Rent Program

1. Stalls are rented bi-monthly (60 day) billing periods. There are four billing periods per season. The cost per stall is \$250 per billing period.
2. The first period runs from March 1 through April 30.
3. The second period runs from May 1 through June 30.
4. The third period runs from July 1 through August 31.
5. The fourth period runs from September 1 through November 30.
6. The entire amount due must be paid in advance of the first day of the billing period. Accounts overdue more than five days will be considered delinquent and the trainers responsible will be subject to immediate disciplinary action. Payment must be made in full with a single check, money order, or cash payment. Owners, agents, or other third parties will not be billed.
7. Stall rent is non-refundable and no money will be returned for unused stalls. Trainers are required to file new stall requests at least 15 days before the start of the next billing period. Trainers requesting fewer stalls than in the previous period must clear the vacated stalls of all bedding trunks, feed tubs, etc., and consolidate horses in consecutive stalls as directed by the Stable Superintendent.
8. Trainers may purchase additional stalls during a billing period at the cost of \$250 per stall. Stalls are not prorated and the entire amount must be paid at the time of request.
9. Trainers losing horses in claiming races will not receive refunds and trainers claiming horses will not be charged for those stalls for the remainder of the billing cycle.
10. Purchase of stalls does not guarantee racing privileges. Horses will be accepted for racing on an individual basis by the Racing Secretary.
11. All horses entering the stable area must have a 2010 Coggins test, 2010 rabies vaccination proof, and a current health certificate.
